te be infinitesimal in its size. Why? Because the man who served in the manks knows the caliber of tool. Lea. In fact, if tool leas are too was to emanate from the private soldiers alone-from the men who carried the muskets—and Col. Lea received two votes, it would raise the grave question that someone had voted lavice.

"However, the great army of private soldiers who as members of the Private Soldiers and Sallors logion are not in the least interested in Col. Lea's political aspirations, prespective of what they may be, but as a unit they are vitally concerned in all the circumstances surrounding his remarkable escape from being court-martialed and summarily dismissed from the United States army for his insensate and ridiculous fattempt, to kidman the former kanser. An act that mole the entire American army the lea desprit of every allied soldier in Franco. I enlisted myself. I have 22½ months of service of which 18½ months was at the gun pits, and I know how Col. Lea is regarded by the men who manned the guns. "During the war there were more than 450,000 courts-martial cases. Soldiers were fined and meted out drastic punishment for such inconsequential infractions of the military code as smoking cigarets.

Required for Jiffy-Jell Desserts

They come ready-sweetened.

They come acidulated with pure fruit acid, made from lemons or from grapes.

A bottle of liquid fruit flavor comes in each package. We crush the fruit, condense the juice and seal it in a bottle. So Jiffy-Jell is a real-fruit dainty, rich in fruit. Simply add boiling water as directed on package,

then the fruit essence from the bottle, and let cool. If you used fresh fruit, plus a lot of sugar, you could make nothing more delicious.

Serves six-at trifling cost

One package of Jiffy-Jell serves six in mold form, or twelve if you whip the jell. And the fruit alone which we use in it would cost you more than the whole dessert.

Real-Fruit Desserts

Ten Flavors in Glass Vials

A bottle like this in each package

Lime Cherry Raspberry Loganberry Strawberry Pineapple Orange Lemon Coffee

Be sure to get this package from your grocer, for Jiffy-Jell is the only dessert with these liquid fruit flavors in vials.
